

## *Triple Gauge Pod*

### *For Mazda FC3S RX7*

Congratulations on purchasing your Triple Gauge Pod! This leaflet contains important information regarding your product.

This product is supplied with a flat bottom so that it can be mounted on virtually any vehicles dash.

It has also been designed to fit into the "Idiot Panel" of the Mazda FC3S RX7. In order to fit into the "Idiot Panel" please follow the directions below:

1. Trim the rear section of the pod by 15mm
2. Trim side sections as pictured below
3. Cut the required holes for your particular gauges
4. Fit gauges into the pod
5. Secure with doubled sided tape / glue / sikaflex / or by any other means
